Welcome to Auction 466

www.mowbraycollectables.co.nz

Looking quickly at the front of the catalogue, you may think "I've got all those common stamps" and wonder why we have occupied the most visible page of the catalogue with such items. However they all have production errors – three with missing colours, two with albino overprints and one spectacular perforating error. What a strange hobby philately is - normally a fault in production reduces an item's value!

Delving into the catalogue, there are 375+ collections, including many which we have listed with their thematic content in mind.

This is followed by a further unrepeatable selection from the late Robin Startup's collection and 180 or so FFQ lots. The 5/- First Sidefaces are always hard to find with reasonable appearance – our three illustrated aren't too bad!

One of my favourite errors to look for is the 1946 2d Soldier (health) blurred centre (lot 1547). Not easy to pick except that it is a distinct shade when compared with a normal.

Another hard to find stamp with reasonable appearance is the 1/- VR Govt Life – we have illustrated six.

Finishing off NZ, the inverted "HMC/&/Co" (lot 2044) perfin is unusual and the 3/- Mt Egmont "Fine Paid" (lot 2175) is not often seen.

The EVII Land 1d is normally encountered in used (lot 2175) condition – lot 2275 is a nice mint example. A further selection of FSAT covers are included.

In British Commonwealth, a very nice, reasonably estimated Cape of Good Hope triangular (lot 2960) is illustrated. The Trinidad 10/- Britannia is also particularly good.

The China Stage Art of Mein Lan-feng used items (lot 3257) are worth mentioning and far more affordable than in mint condition!

Good luck with your bidding.

Appointment of David Galt as Manager Numismatics at Mowbrays

John Mowbray, CEO of Mowbray Collectables, has announced the appointment of David Galt as Manager, Numismatics at the company. "I am delighted at the appointment of David to this role, as a well-known figure in New Zealand numismatics." David will manage the company's auctions of coins, medals and banknotes.

"This appointment shows the strong commitment of Mowbrays to continuing its International New Zealand-based numismatic and philatelic auctions each year. This year's auction is scheduled for Friday 4 September at the West Plaza Hotel in Wellington. Material is flowing in now and already includes some exciting lots including a Waitangi Proof Set in Plush case, other scarce New Zealand proofs and an interesting selection of English hammered and milled silver. "

David has had a strong interest in coins, medals and banknotes for many years. He joined the Royal Numismatic Society of New Zealand as a student and coin collector in Dunedin in 1974. Moving to Wellington, he joined the Wellington Coin Club in Wellington in 1978. He became President of the Royal Numismatic Society of NZ from 2006. He edits its Newsletter and was a key player in organising the Society's successful International conference in July 2014. He has years of experience in helping people place coins, medals and banknotes in auctions.

Prior to joining Mowbrays, David was a Manager in the New Zealand Treasury, including in roles managing tax and economic forecasting, and public sector management.

John Mowbray established his well-known stamp and coin trading business more than 50 years ago. Mowbray Collectables recently announced it had accepted a conditional offer from John to buy the Otaki based stamp and coin business from the company. David Galt will also be a shareholder and director of the purchasing company if the shareholders of the public company agree to the proposed sale of the Otaki business in June.

David is generally in our Otaki office on Mondays and Thursdays. Email david.galt@mowbrays.co.nz

3. **Bids** shall advance in the following increments: Up to $100 $5 increments
   Over $100 10% increments, or at our discretion.
   Bids shall be accepted only in these advances; odd amounts if offered will be reduced to the nearest acceptable increments.
