MAJOR INTERNATIONAL PUBLIC STAMP AUCTION

Saturday 5th September 2015

**commencing 12.30pm
West Plaza Hotel, Wellington, New Zealand**

Welcome to our 24th sale. This annual auction should prove to be amongst the best that we have held as similar to last year's sale, it comprises NZ\$1.7 million of estimates. We are honoured to feature stamps from several major collections:

- The late David Ladds' postmark collection.
- 1d Universals from the extensive collection of the late Denbeigh Garrard.
- A major collection of New Zealand Full Face Queens ex Jan-Stefan Landa, including an FFQ 1/- bisect cover.
- Postal history of Otago, from the Greg Francis International Gold Medal winning collection.
- Tony Jones' King Edward VII postal stationery, many items ex Samuel.
- Extensive China in seven stockbooks.
- 140 NZ collections and accumulations.
- A wonderful range of New Zealand mint blocks of four from the Chalons to 1980s.
- Hard to get New Zealand in sheets of 100 etc MUH.

Highlights of this year's 1300 lot auction are: over 500 collections; New Zealand 120 lots of Full Face Queens, including many attractively priced bulk lots; three upright watermark 5/- Mt. Cook officials; a 1965 4d pictorial chalky MUH; various modern errors; a good range of NZ postal fiscals; and also scarce Samoan stamps and postal history including the rare G.R.I. 1 Shilling overprint on 1 mark yacht; and over 20 Great Britain 1840 1d blacks notable for their overall fine quality. Also a 1/- Stock Exchange forgery and a most attractive set of India used in Tibet from the Younghusband expedition.

We are certain that there is something for everyone in this year's sale.

We urge collectors planning to attend this sale not to leave their viewing until the day of the sale as not too many people can view the same item simultaneously – so come on the Friday – or arrange to view prior to 3rd September at our premises in Otaki! We are only 20 minutes from Paraparaumu Airport and ten minutes from Waikanae commuter railway station. We can pick you up from either! (By appointment only).

Like last year's sale we expect a huge interest with a large number of room bidders. My thanks go to Chris Burt, David Smitham, Alan Jackson, Maree Malin, Ken Markham and Simon Smelt, who have produced another great catalogue for our 24th sale, ably assisted by our office staff of Jan, Lyndell, Keren and Arna. We look forward to your participation in this sale and wish you well with your bidding.

NEW ZEALAND - DEFINITIVES

Full Face Queens Collections and Acumulations

499	/	<p>An extensive traditional gold medal winning exhibit of New Zealand's Full Face Queens with mint and used, proofs, SPECIMEN, reprint examples and also both domestic and international stamped mail are well represented with 19 certificates for stamps/covers in the 80+ pages housed in an A4 binder. The collection commences with a red crowned circle 1858 PAID AT WELLINGTON cover to Ahuriri and continues with Perkins Bacon 1d and 1/- plate proofs; an 1856 cover with a 2d SG 2; SG 4, 5 x 2, 6 x 3 u; 2d SG 5 m; SG 8 x 4 u and a pair on cover from Nelson; 2d SG9 & 10 several used examples as well as on inland covers.</p> <p>The 6d Davies stamps include SG 41, 42 and 43 mint, as well as used and on covers, 77 and 85 u. A 1d vermilion imperf pair (one with pre-printing paper crease) on an 1864 cover ex Wanganui is present as is another pre-printing paper crease variety on a used single 1/- SG 44. A single 2d SG 38 on cover cancelled O13 (Waiholā) to East Taieri - predates the earliest known use by nearly 5 years of the Waiholā cancel and the East Taieri date stamp by 8 months. An 1863 OHMS cover to Town Surveyor, Lyttelton, bears a 2d milky blue (SG 37a) with 14 mm left sheet selvage.</p> <p>A very early example (5 October 1863) of the 10d rate (effective 12 September 1863) for mail to England under ½ ounce is present. Roulettes 2d, 6d and 1/- singles (SG 51, 53, 54, 55 & 57) and perf 13 examples including some of the latter used on cover, are also present. A 2d pelure (SG 83) on piece and another on cover to Picton; 6d pelure singles (SG 85, 88 x 2 and 93) and on cover (SG 85) to England; 1/- pelure x 2 singles - different shades (SG 86) cover both imperf and roulette pelure stamps.</p> <p>NZ watermark stamps include imperforate as well as perforate singles and on cover, a 2d perf 12½ with inverted watermark as well as a 1/- roulette SG 104 single. Perf 12½ stamps with large star watermark are well represented by mint & used singles including shades and also on cover; for example 2 diff 1d shades (a single and a pair) on an 1868 inter provincial cover ex Christchurch to Mararoa. A 1d carmine with scarce fiscal (PAID) use in March 1867 is also present. Owing to slow distribution/replacement of New Zealand's QV Long Type fiscal stamps which were introduced on 1 January 1867 and which were intended to be used on legal documents some (few) 1d FFQs were used as a stop gap measure for fiscal purposes in early 1867 until new supplies were received.</p> <p>Various manuscript abbreviation cancels (e.g. Cass River, Ho Ho Creek 69, Kowai, & Saltwater Creek etc.) town/provincial letter & number obliterators are also featured in this collection as are re-entries and varieties such as double perfs - some examples of which are on cover. Examples of inland and overseas postage rates along with descriptions of the stamp(s) and markings are clearly indicated.</p> <p>Early use and shades of the 4d rose (SG 119) as well as the 4d yellow (mint SG 120 & 139a) are featured as well as SG 120 on 2 covers. A long cover to Bristol ex Napier 28 October 1872 bearing a 6d brown and a 1/- green perf 12½ showing the correct rate for a 1 to 1½ ounce letter to England and examples of the 1871 FFQ colour changes are also present including usages, Post Office, Hausburg and RPSNZ reprints.</p> <p>The condition of the material varies with many handsome and scarce items present. This attractive collection would take many years to replicate and it does represent a good entry level into a serious study of New Zealand's first postage stamps. The collection (stamps alone are catalogued at £90,000+) may be seen in its entirety online. Ex Landa.</p>	\$30,000
